MEMORANDUM FOR: Deputy Director (Intelligence)

SUBJECT: Recent PSB Requests for Intelligence

1. I have recently received three requests for intelligence from PSB. What they in general are and their disposition at the moment are as follows:

a. Intelligence support for Panel on Doctrinal Warfare.
Disposal: Have called [] and explained that his memorandum is contradictory and he is sending [] from PSB Staff over to talk to me about this tomorrow.

2. I explained to [] in general that it was essential that his staff should do some wood shedding on ideas of intelligence needs coming out of the PSB staff and furthermore that some discrimination is necessary on the part of his staff as to what agency he should go to to get it. He requested that next week I come over to his office and talk to some of the people and discuss the matter further with him. This I have agreed to do.
